## 2012 Electronic Health Records Seminar Presented by John LaMonica, DC and Lorri Nichols, DC

Did you know if you enroll in EHR you may be eligible for a Federal Government incentive payment? To receive the maximum incentive you **must enroll by 2012**. Not implementing EHR timely will reduce future Medicare payments.

Learn the details!

Electronic Health Records are here to stay and will be the standard for insurance in the future, not just Medicare. This seminar will help you understand how EHR can help improve your record keeping, efficiency, exchange of information, and speed of reimbursement.

This seminar will cover:

- New implementation rules and requirements
- EHR incentive program
- The meaningful use levels and stages of certifications
- How to implement the steps necessary to complete the Federal Requirements
